

Sault Naturalists General Meeting  
May 5, 2009  
7:30 pm

The meeting was held at the Great Lakes Forestry Centre, Sault Ste. Marie, Ontario.

“Travels in South Africa” was presented by Dr. Harvey Robbins. The membership was treated to wonderful pictures of flora and fauna.

A business meeting was led by Dave Euler.

- **Signs for our viewing platforms:** Gail Andrew has made a suggestion that the signs be made of cast iron, wording to be either: (1) Built by the Sault Naturalists; (2) Funded by the Sault Naturalists; or (3) Built and funded by the Sault Naturalists. After some discussion, it was thought that a sign could be painted metal with the same suggested wording options.  
Vivian Hall moved that we ask Graham and Aja to make a design for a metal sign including our club logo with various wording options. This can be brought to a sign maker for a price estimate. Seconded by C. Bosley. Motion was carried.  
**Action:** Dave is to contact Graham and Aja. If possible the design will be presented to the membership at our June meeting.  
**Action:** RobertD will then bring the design to a sign maker for a price to be approved by the membership.
- **Environmental Film Festival:** Dave thanked the volunteers who manned the display.
- **Outing:** Dave reminded us that Saturday morning (May 9) is the outing led by David Bell (6:00 am.).
- **Program:** Our June 9 program is “How not to Get Lost in the Woods” by David Szlag.

Adjournment: 9:15
